[H 766]

Approved

Be it enacted by the General Assembly of Virginia:
1. That the Code of Virginia is amended by adding in Title 3.2 a chapter numbered 3.1, consisting of sections numbered 3.2-303 through 3.2-309, as follows:

CHAPTER 3.1.

GOVERNOR'S AGRICULTURE AND FORESTRY INDUSTRIES DEVELOPMENT FUND.

§ 3.2-303. Definitions.

A. As used in this chapter, unless the context requires a different meaning:

"Agricultural products" means crops, livestock, and livestock products, including field crops, fruits, vegetables, horticultural specialties, cattle, sheep, hogs, goats, horses, poultry, fur-bearing animals, milk, eggs, aquaculture, and furs.

"Agriculture and forestry processing/value-added facilities" means any for-profit or nonprofit business that creates value-added agricultural or forestal products.

"Forestal products" means saw timber, pulpwood, posts, firewood, Christmas trees, and other tree and wood products for sale or for farm use.

"New job" means employment of an indefinite duration, created as the direct result of the private investment, for which the firm pays the wages and standard fringe benefits for its employee, requiring a minimum of either (i) 35 hours of the employee's time a week for the entire normal year of the firm's operations, which "normal year" shall consist of at least 48 weeks, or (ii) 1,680 hours per year. Seasonal or temporary positions, positions created when a job function is shifted from an existing location in the Commonwealth to the location of the economic development project, positions with suppliers, and multiplier or spin-off jobs shall not qualify as new jobs. The term "new job" shall include positions with contractors provided that all requirements included within the definition of the term are met.

"Prevailing average wage" means that amount determined by the Virginia Employment Commission to be the average wage paid workers in the city or county of the Commonwealth where the economic development project is located. The prevailing average wage shall be determined without regard to any fringe benefits.

"Private investment" means the private investment required under this chapter.

"Value-added agricultural or forestal products" means any agricultural or forestal product that (i) has undergone a change in physical state; (ii) was produced in a manner that enhances the value of the agricultural commodity or product; (iii) is physically segregated in a manner that results in the enhancement of the value of the agricultural or forestal product; (iv) is a source of renewable energy; or (v) is aggregated and marketed as a locally produced agricultural or forestal product.

§ 3.2-304. Governor's Agriculture and Forestry Industries Development Fund established; purpose; use of funds.

A. There is hereby created in the state treasury a nonreverting fund to be known as the Governor's Agriculture and Forestry Industries Development Fund (the Fund) to be used by the Governor to attract new and expanding agriculture and forestry processing/value-added facilities using Virginia-grown products. The Fund shall consist of any funds appropriated to it by the general appropriation act and revenue from any other source, public or private. The Fund shall be established on the books of the Comptroller, and any funds remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the Fund shall be credited to the Fund. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller. The Governor shall report to the Chairmen of the House Committees on Appropriations and Finance and the Senate Committee on Finance as funds are awarded in accordance with this chapter.

B. Funds shall be awarded from the Fund by the Governor as grants or loans to political subdivisions. The criteria for making such grants or loans shall include (i) amount of jobs expected to be created, (ii) anticipated amount of private capital investment, (iii) anticipated additional state tax revenue expected to accrue to the state and affected localities as a result of the capital investment and

57 jobs created, (iv) anticipated amount of Virginia-grown agricultural and forestal products used by the
 58 project, (v) projected impact on agricultural and forestal producers, (vi) a return on investment analysis
 59 to determine the appropriate size of any grant or loan, and (vii) an analysis of the impact on competing
 60 businesses already located in the area.

61 C. Funds may be used for public and private utility extension or capacity development on and off
 62 site; public and private installation, extension, or capacity development of high-speed or broadband
 63 Internet access, whether on or off site; road, rail, or other transportation access costs beyond the
 64 funding capability of existing programs; site acquisition; grading, drainage, paving, and any other
 65 activity required to prepare a site for construction; construction or build-out of publicly or privately
 66 owned buildings; training; or grants or loans to an industrial development authority, housing and
 67 redevelopment authority, or other political subdivision for purposes directly relating to any of the
 68 foregoing. However, in no case shall funds from the Fund be used, directly or indirectly, to pay or
 69 guarantee the payment for any rental, lease, license, or other contractual right to the use of any
 70 property.

71 D. Moneys in the Fund shall not be used for any economic development project in which a business
 72 relocates or expands its operations in one or more Virginia localities and simultaneously closes its
 73 operations or substantially reduces the number of its employees in another Virginia locality. The
 74 Secretary of Agriculture and Forestry shall enforce this policy and for any exception thereto shall
 75 promptly provide written notice to the Chairmen of the Senate Finance and House Appropriations
 76 Committees, which notice shall include a justification for any exception to such policy.

77 E. The Governor shall provide grants and commitments from the Fund in an amount not to exceed
 78 the dollar amount contained in the Fund. If the Governor commits funds for years beyond the fiscal
 79 years covered under the existing appropriation act, the State Treasurer shall set aside and reserve the
 80 funds the Governor has committed, and the funds shall remain in the Fund for those future fiscal years.
 81 No grant shall be payable in the years beyond the existing appropriation act unless the funds are
 82 currently available in the Fund.

83 § 3.2-305. Guidelines and criteria for awarding grants from Fund.

84 The Secretary of Agriculture and Forestry, in consultation with the Virginia Economic Development
 85 Partnership, Virginia Department of Agriculture and Consumer Services, and the Virginia Department of
 86 Forestry, shall assist the Governor in developing objective guidelines and criteria that shall be used in
 87 awarding grants from the Fund. The guidelines may include a requirement for the affected localities to
 88 provide matching funds, which may be cash or in-kind, at the discretion of the Governor. The guidelines
 89 and criteria shall include provisions for geographic diversity, a requirement that a project purchase a
 90 minimum percentage of Virginia-grown or Virginia-produced agricultural or forestal products to which
 91 its processes are adding value, and a cap on the amount of funds to be provided to any individual
 92 project.

93 § 3.2-306. Contractual obligations of entities receiving grants or loans from the Fund.

94 A. Notwithstanding any provision in this chapter or in the guidelines established pursuant to
 95 § 3.2-305, each political subdivision that receives a grant or loan from the Fund shall enter into a
 96 contract with each business beneficiary of moneys from the Fund. A person or entity shall be a business
 97 beneficiary of funds from the Fund if grant or loan moneys awarded from the Fund by the Governor are
 98 paid to a political subdivision and (i) subsequently distributed by the political subdivision to the person
 99 or entity or (ii) used by the political subdivision for the benefit of the person or entity but never
 100 distributed to the person or entity.

101 B. The contract between the political subdivision and the business beneficiary shall provide in detail
 102 (i) the fair market value of all funds that the Commonwealth has committed to provide, (ii) the fair
 103 market value of all matching funds (or in-kind match) that the political subdivision has agreed to
 104 provide, (iii) how funds committed by the Commonwealth, including funds from the Fund committed by
 105 the Governor, and funds that the political subdivision has agreed to provide are to be spent, (iv) the
 106 minimum private investment to be made and the number of new jobs projected to be created by the
 107 business beneficiary, (v) the minimum percentage of Virginia-grown or produced agricultural or forestal
 108 products to be purchased by the business beneficiary (vi) the average wage (excluding fringe benefits)
 109 projected to be paid in the new jobs, (vii) the prevailing average wage, and (viii) the formula, means, or
 110 processes agreed to be used for measuring compliance with the minimum private investment and new
 111 jobs projections, including consideration of any layoffs instituted by the business beneficiary over the
 112 course of the period covered by the contract.

113 C. The contract shall state the date by which the agreed-upon private investment and minimum
 114 purchases of Virginia-grown agricultural and forestal products shall be met by the business beneficiary
 115 of moneys from the Fund and may provide for the political subdivision to grant up to a 15-month
 116 extension of such date if deemed appropriate by the political subdivision subsequent to the execution of
 117 the contract. Any extension of such date granted by the political subdivision shall be in writing and

118 promptly delivered to the business beneficiary, and the political subdivision shall simultaneously provide
119 a copy of the extension to the Secretary of Agriculture and Forestry.

120 D. The contract shall provide that if the private investment and minimum purchase requirements are
121 not met by the expiration of the date stipulated in the contract, including any extension granted by the
122 political subdivision, the business beneficiary shall be liable to the political subdivision for repayment of
123 a portion of the funds provided under the contract. The contract shall include a formula for purposes of
124 determining the portion of such funds to be repaid. The formula shall, in part, be based upon the fair
125 market value of all funds that have been provided by the Commonwealth and the political subdivision
126 and the extent to which the business beneficiary has met the private investment and minimum purchase
127 requirements. Any such funds repaid to the political subdivision that relate to the award from the Fund
128 shall promptly be paid by the political subdivision to the Commonwealth by payment remitted to the
129 State Treasurer. Upon receipt by the State Treasurer of such payment, the Comptroller shall deposit the
130 repaid funds into the Fund.

131 The contract shall be amended to reflect changes in the funds committed by the Commonwealth or
132 agreed to be provided by the political subdivision.

133 § 3.2-307. Copy of proposed contract to be submitted to the Attorney General.

134 Notwithstanding any provision in this chapter or in the guidelines established pursuant to § 3.2-305,
135 prior to executing any such contract with a business beneficiary, the political subdivision shall provide a
136 copy of the proposed contract to the Attorney General. The Attorney General shall review the proposed
137 contract (i) for enforceability as to its provisions and (ii) to ensure that it is in appropriate legal form.
138 The Attorney General shall provide any written suggestions to the political subdivision within seven days
139 of his receipt of the copy of the contract. The Attorney General's suggestions shall be limited to the
140 enforceability of the contract's provisions and the legal form of the contract.

141 § 3.2-308. Disposition of award by locality.

142 Notwithstanding any provision in this chapter or in the guidelines established pursuant to § 3.2-305,
143 a political subdivision shall not expend, distribute, pledge, use as security, or otherwise use any award
144 from the Fund unless and until such contract is executed with the business beneficiary.

145 § 3.2-309. Report submitted to chairmen of legislative committees.

146 Within the 30 days immediately following June 30 and December 30 of each year, the Governor
147 shall provide a report to the Chairmen of the House Committees on Appropriations and Finance and the
148 Senate Committee on Finance which shall include the following information regarding each grant or
149 loan awarded from the Fund during the immediately preceding six-month period for economic
150 development projects: the name of the company that is the business beneficiary of the grant and the type
151 of business in which it engages; the location (county, city, or town) of the project; the amount of the
152 grant committed from the Fund and the amount of all other funds committed by the Commonwealth from
153 other sources and the purpose for which such grants or other funds will be used; the amount of all
154 moneys or funds agreed to be provided by political subdivisions and the purposes for which they will be
155 used; the number of new jobs projected to be created by the business beneficiary; the amount of
156 investment in the project agreed to be made by the business beneficiary; the minimum purchase agreed
157 to be made of Virginia-grown agricultural and forestal products; projected impact on agricultural and
158 forestal producers; the timetable for the completion of the project and new jobs created; the prevailing
159 average wage; and the average wage (excluding fringe benefits) projected to be paid in the new jobs.
